Our hope in offering this internship program is that you can be better equipped for whatever ministry God might be calling you to in your life. We are all called to ministry at some level, but this internship you are applying for will expose you to a high level of ministry that will hopefully better equip you for the future. Whether this ministry is done at a lay level or a vocational level, we are hopeful that God will allow this program to help you go further faster for the ministry He is calling you to! We can't wait to begin this journey with you!

**Attending Sundays.** On Sunday mornings, our students gather for a time of worship through music and teaching as we aim to *Equip them for Life*. During the summer, we have one combined service on Sundays where JH and HS students worship together. You will be responsible for helping our students get fed and connected at Breakfast Club, create a welcoming environment for all students, and build relationships with students while they attend.

**Hours Per Week: 2 (10:30am - 12:30pm)**

**Hangar Nights.** For two months during the summer, we have mid-week gatherings for Junior-high and High-school students. These are designed to *Establish a Connection* with students. These events are highly relational times. HS students meet on Wednesday nights and JH students meet on Thursday nights. You'll be required to create, organize and implement both evenings.

**Hours Per Week: 8 (6pm - 10pm Wednesdays & Thursdays)**

## **Events, Trips & More:**

Along with your week to weekly tasks and requirements, you will also be asked to assist our ministry with some of these trips & events. They are as follows:

### ***\*Sportsworld (June 26-30)***

This is our main ministry focus for the month of June. Each staff member and intern will have different roles during the week of Sportsworld; however, we still work as a unit to help produce one of the craziness and unique camps anyone has ever seen! You (as an intern) will be given a certain role/assignment for the week. You will not only be responsible for your particular role, but also be ready to serve the camp in whatever capacity possible!

### ***Great Adventure (July 14-17)***

Pack your bags! We are heading to Gulf Shores, Alabama with our middle school students! Van rides, bumming the beach, tribal wars, fellowship, and the Lord —what an awesome combination! This trip is designed to get middle school students away from the pressures of their world and show them the depths of God's Word.

### ***\*Summer Bash (July 26)***

This is our big finale to the summer for all students at DBSM! There will be a Live Band, Hot dogs, Kona Ice, Sand-volleyball, Gaga ball, Hangar ball, Basketball and even more! You will be able to see many of our students here and be able to jump in with our staff! This will be like Hangar Nights...on steroids!

### ***Ultimate Adventure (July 31-August 5)***

We are packing up and heading east to Ponderosa Bible Camp in Mentone, Alabama this year for an epic camping trip with our amazing high schoolers! This will be an amazing time to slow down from our normal routines and focus and re-center Christ. Come

experience a fun van ride across the country, white water raft, swim together in the beautiful in the river, tribal games, late night cabin talks, quiet times with students every morning and a lesson and worship every night!

**\*These two events are more important for you to make, rather than the two July trips. Each summer intern we will try and take on one July trip, going on both is unlikely.**
