

# re|engage Childcare Information

## Age and Cost Information

Childcare is available by reservation for children 4 mo. - 3rd grade. If you have a child in that age range but also other children who are 10-11, they can usually accommodate them too. There is no cost for childcare, but you can make a donation of \$5 per visit if you wish, when you check in your children.

## MAKING A RESERVATION

**You will need to make a reservation each week.** You can register for childcare one week ahead of the date you need it, until 24 hours before your event. Childcare reservations can be made for next week starting Thursday evening until 7pm on Wednesday nights.

**To register** go to: [dentonbible.org/childcare](http://dentonbible.org/childcare) Scroll down to the Thursday night childcare icon date for next week's date. Click that and then click Sign up.

Provide the names and ages of your children. Further instructions are on the childcare webpage.

## CANCELLING YOUR CHILDCARE RESERVATION

**If you make a reservation but will not be bringing your children to childcare you must cancel your reservation. To cancel call Lee Morton (940) 367-4462. Childcare hires workers based on reservations, so cancellations help them use our funds wisely.**

## WHERE IS CHILDCARE?

Parents should drop off their children at childcare **first**, then come to re|engage. Parents may drop children off at 6:45 p.m. in the Children's Learning Center (CLC) located at the east end of the Main building. Parents can use the entrance next to the playground area. The re|engage **access code is 42423**. Use this code on the keypad at the door.

## ARE LAST MINUTE RESERVATIONS POSSIBLE?

If you don't make a reservation and your babysitter falls through at the last minute, contact Lee Morton 940-367-4462 to see if they have room that night. They usually can fit you in but must keep a certain worker to child ratio.

## **Food**

Children must eat dinner before coming to childcare. If a parent brings food for their children, a parent will need to sit down with them outside of childcare while they eat. It creates a problem when one child has food and the others do not.

A small snack will be provided during the evening for all children. You should not send snacks with your child unless they have food allergies or a special diet.

## **Parking for Childcare**

We encourage parents to park on the north side of the Children's Learning Center (CLC) in the main building and use the entrance closest to the playground. There is a small keypad at that door. The re|engage code is **42423**. Use this code to access the building. After dropping off your children, you can walk through the main building foyer to the Student Ministry Center Auditorium, following the signs for re|engage or park by the Student Ministry Center.

## **Bringing Children & Infants to re|engage**

**Only infants up to 4 months old may come to re|engage with you**, but we encourage you to arrange childcare for them whenever possible. At 4 months, you can make a childcare reservation for them with our DBC Childcare or you may wish to make your own arrangements. Our small group rooms are not large enough for strollers, but you may bring an infant carrier. We encourage you to use our childcare so that both you and the other couples in your group will benefit from being able to focus on the lesson without distractions.

Children older may not attend re|engage with you nor be left unattended in the building while you are at re|engage. We want couples to be able to focus on the teaching without the distraction of children and sometimes the content is not appropriate for children or teenagers.
